NURSING

IS NOT JUST AN ART
IT HAS A HEART.

NURSING

IS NOT JUST A
SCIENCE BUT IT HAS
A **CONSCIENCE**

Reverence to our Founder Chairman

Late Shri Krishan Lal Gupta
Founder, Chairman
GNIOT Group of Institutions

VISION

To develop a center of excellence in nursing which encompasses the overall development of nursing as a profession and discipline. To prepare the students to become exemplary citizens by adhering to the professionalism and fulfilling personal, social and professional obligations so as to respond to national aspirations.

MISSION

- Provide quality education and facilities to train/ guide the students in the field of practice, education, management and research so that they can emerge as qualified nurse who will be competent enough to function within their scope of practice globally.
- Prepare as caring professional nurses for delivering, safe care, coordinating/ managing by being active participant with professional team members and demonstrating self-responsibility and accountability for practice as well as to support the profession.
- Create learning environment with competency based, transformational, relationship based educational approaches through the program integrity, mastery learning and self-directed learning.

Chairman's Message

Dear Aspirants

India boasts of being a young nation, and to tap the potential of our youth in the right manner is the need of the hour. We at GNIOT Group of Institutions are committed to groom this young pool of talent so that they are transformed into entrepreneurs with quality mission. They become job-creators rather than job-hunters. With this dream in mind we sowed a seed in the fertile soil of the lush landscape of Greater Noida. I am happy to learn that within short span of a little over a decade, the seed has not only sprouted but grown into a fully blossomed tree called GNIOT.

The calm and serene atmosphere of the location of the institute is a strong motivating factor for young boys and girls to join this institute. We always strive to import excellent quality education in the field of technology and management. The constant endeavor of our team of highly experienced and dedicated faculty, supported by equally impressive infrastructure has considerably helped our students in the acquisition and development of appreciable competency. I invite sincere and committed students to join GNIOT. I can assure you that GNIOT responds pro-actively to the wider needs of the educational and social environment of our country. I trust your stay in the college will be richly rewarding and immensely memorable. I wish my students all the best!

Dr. Rajesh Kumar Gupta
Chairman
GNIOT Group of Institutions

**“The Future belongs
to those who believe
in the beauty of their dreams.”**

Eleanor Roosevelt

Vice-Chairman's Message

Dear Students,

In this millennium, world is characterized by technology and constant change. In order to survive and perform successfully in the modern-day competitive environment, we have to constantly adapt to innovation and be prepared to update knowledge and skills through continuous learning all the time. At GNIOT, we produce professionals who have the optimum mix of attitude, skill, culture and knowledge to adapt themselves to the emerging trends with confidence and pursue their chosen professions with comfort. It is our endeavor to ensure that every student's needs and expectations are fulfilled, thus enhancing the ability to acquire and apply knowledge.

Our highly professional and dedicated faculty drawn from academia and industry possesses impressive credentials, a missionary zeal in teaching and are involved in shaping careers at GNIOT. So, come and join our growing community of self-confident young technocrats.

Shri. Gaurav Gupta
Vice-Chairman
GNIOT Group of Institutions

**“Leaders aren't born they are made.
and they are made just like anything else,
through hard work. and that's the price
we'll have to pay to achieve that goal or any goal.”
Vince lambardi**

Director's Message

Dear Students,

"Education is the passport to the future, for tomorrow belongs to those who prepare for it today".....Malcolm X

It is an immense pleasure and a feeling of exhilaration to accomplish the inception of GNIOT Institute of Medical Sciences and Research, initially with B.Sc. Nursing and ANM Programmes. It has been set up under the aegis of prestigious institute GNIOT Group of institutions, Knowledge Park II, Greater Noida.

Nursing is a Profession within the Healthcare sector focuses on the care of individuals, families and communities so that they may attain, maintain or recover optimal health and quality of life. They also take on vital roles of Education, Research, Administration/ Management, Nursing care Services etc. in different healthcare settings. The approach of nursing differs from other healthcare providers in relation to patient care, training and scope of practices.

At GIMSAR, our curriculum and teaching-learning activities follow the syllabus and guidelines as given by the Indian Nursing Council, New Delhi. A team of experienced and qualified faculty members who guide and nurture students to achieve their goals within the framework of planned and structured teaching-learning process blended with co-curricular and extra-curricular activities.

We continue with spirit of dedication and strive to work towards a holistic, transformational and relationship based educational approaches that emphasize to assimilate and synthesize knowledge, cultivate critical thinking skills, competencies and quality practice.

We look forward to the collective endeavours with the students and their parents to support, promote learning environment and accomplish our vision & mission to fulfill our objectives to reach to goals. Let's join our hands to empower our students in such a manner that they become exemplary citizens by adhering to professional conduct at all times in fulfilling professional obligations to respond to the needs of society.

With this, I would like to wish all for a successful journey towards an excellence and soar to new heights.

Good Luck.

WHAT IS NURSING

Nursing is an Integral part of Health care system and backbone of health care provision in all over the world. It encompasses autonomous and collaborative care of all individuals of all ages in all settings. It is dynamic and constantly evolving to meet new needs and take account of new knowledge. With a worldwide shortage of qualified and registered nurses, Nursing has become one of the most in demand health care profession with excellent salary packages and endless career opportunities, eventually this profession is becoming popular.

The nurse is prepared and authorized:

- To engage in the general scope of important practice including promotion of health, prevention of illness, and care of physically ill, mentally ill and disabled people of all ages and in all health care and community settings.
- To carry out health care teaching.
- To participate fully as a member of health care Team.
- To supervise and train nursing and health care auxiliaries.
- To be involved in research..... (ICN, 1987)

Unquestionably Nursing is one of the perfect careers globally as it combines passion for health care as well as love for helping others who need it the most.

The available Nursing Programmes at different levels in India are:

1. Diploma Level Courses

Co-Curricular/Extra-curricular Activities

We believe in holistic development approach, which means intellectual, physical, emotional and social development, to keep balance between academics, co-curricular and extra-curricular activities. Thus developing an holistic personality of the student. These help them to stimulate, explore and learn their areas of interests, life skills, team work and critical thinking etc. Ultimately, it helps to make education as 'well rounded' and students as 'all-rounder'.

Activities Include

- Community and Hospital health awareness projects / programmes.
- Celebration of selected WHO days related to health and similar.
