

Dear Madam/Sir,

Greetings from All India Council for Technical Education (AICTE) ..!

Bharatiya Shikshan Mandal Yuva Aayam is organizing a national-level research paper writing competition titled 'Vision for Viksit Bharat'. The competition was ceremoniously inaugurated across India on Ram Navami (17th April 2024), a significant day that also marks the esteemed foundation of Bharatiya Shikshan Mandal. Following state-level competitions, a three-day national conference for selected research scholars will take place from 15th to 17th November 2024 at S.G.T. University in Gurugram, Haryana.

The primary goal of this competition and three-day conference is to empower and inspire young people to contribute meaningfully to various aspects of nation-building during this AMRITKAAL by sharing their ideas through research paper writing.

This research paper writing competition aims to inspire the youth to produce exceptional research articles across various fields, utilizing recognized methodologies based on Bharatiya Gyan Sampada and a Bharat-centric vision. Energetic and committed young individuals, brimming with talent, can drive progress in every aspect of national life. The development of our nation, including policymaking, infrastructure enhancement, and the evolution of a robust work culture, will be fueled by these innovative and dynamic young minds.

You are requested to circulate the information among students and also encourage them for their active and timely participation in this completion. The institutions are requested to nominate one coordinator to effectively disseminate information among the students, and he may liaise with Bharatiya Shikshan Mandal in this regard.
