

**To,
The Director/Principal**

**Dear Sir/Madam,
Greetings from AICTE!**

We are pleased to announce AICTE's Global Developer Corps (GDC) Artificial Intelligence Workforce Scheme 2024-2029.

Objectives:

The GDC AI Workforce Scheme has two objectives set for achievement over 5 years:

- Create a workforce of One Lakh skilled in working with AI to create and upgrade Digital Public Infrastructure and Goods.
- Build capabilities to transform aspects of the teaching-learning process with Artificial Intelligence to enable scale and relevance to the future.

Eligibility:

All Students of AICTE-approved institutions in Engineering and Technology and this scheme is totally free of cost.

Course Content and Assessments: Content based on AICTE's model curriculum following NEP Learner-centred pedagogy, with self-paced learning via video tutorials, real-world applications as capstone projects, and continuous and personalized assessments.

Note: All Students are requested to go through the scheme guideline and curriculum attached herewith before applying.

Scheme Highlights:

1. Industry-led training with course credits
2. Six-month internships to build AI tools
3. Fellowship Certificate
