Date: 31/08/2024

To,  
The Directors/Head of Incubators,  
Affiliated Institutes to Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow,

**Subject:** Invitation to Participate in the National Drone Symposium 2024

Dear Madam/Sir,

Greetings from Innovation Hub, AKTU!

We are glad to invite your esteemed institution to participate in the **National Drone Symposium 2024**, a premier event organized in collaboration with **Ajay Kumar Garg Engineering College (AKGEC), Ghaziabad** and sponsored by **Innovation Hub, Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow**. The event will be held on **September 6th, 2024**, starting at **9:30 AM** at **Ajay Kumar Garg Engineering College, Ghaziabad**.

This symposium, with the **Drone Federation of India** as our knowledge partner, is an exceptional opportunity for startups, students, and professionals to explore the dynamic world of drone technology. The event will host two engaging sessions:

#### 1. **Drone Flying: Career & Opportunities**

This session will cover the latest advancements in drone flying, focusing on safety protocols, regulations, and career prospects in the drone industry. The session will conclude with an exhilarating **Drone Show** demonstrating the diverse capabilities and applications of drones.

#### 2. **Drone Manufacturing & Applications**

This session will highlight cutting-edge trends in drone manufacturing, featuring innovations and various use cases across industries that utilize drone technology for enhanced operations and efficiency.

The National Drone Symposium 2024 offers a unique platform for learning, networking, and collaboration among leading experts, professionals, and enthusiasts from across the country. It also aims to foster discussions on how we can collectively contribute to realizing the vision of our Hon'ble Prime Minister, Shri Narendra Modi, to position India as a global drone hub by 2030.

We believe that the participation of your institute's startups and students working in the field of drones will greatly benefit from this event, enriching the symposium with diverse perspectives and innovative ideas.

**You are requested circulate the information among the relevant startups and students working in this domain** to register in attending the symposium by filling out the registration form at the following link: <https://forms.gle/Hh3vhX6Xk9UoSiPJ9> or scan the QR.

Please complete the registration by **September 1st, 2024**.

Your participation and support are invaluable to us, and we look forward to welcoming you to this significant event.
