

Respected Sir/Madam,

Please find attached a letter regarding the availability of the "Handbook on Basics of Cyber Hygiene for Higher Education Institutions", which was officially released on 6th November 2024.

This handbook, developed as part of UGC's commitment to enhancing the cyber security framework within Higher Education Institutions (HEIs), serves as a vital resource for promoting a safety culture in the digital environment. It includes comprehensive knowledge and best practices to improve cyber resilience among students, faculty members, and non-teaching staff.

The handbook can be accessed through the following link:
