

Dear [Training and Placement Officer],

Thank you for inviting your students to the **AICTE Career Portal**. Your initiative is key to helping them access this transformative platform.

However, many students have yet to sign up and create their profiles, leaving them unable to benefit from the **21,000+ jobs and internships** available from top companies like **Google, KPMG, Amazon, EY, and Deloitte**. With new opportunities added weekly, this is a chance they can't afford to miss.

Why Act Now?

- **Exclusive Access:** Thousands of roles tailored to fresher graduates.
- **Resume Builder:** Smart tools to help students stand out.
- **Professional Resources:** Networking events, career guidance, and skill-building tools.

How You Can Help:

1. **Encourage Registration:** Remind students to sign up here: [AICTE Student Portal Sign-Up](#)
2. **Follow Up Actively:** Ensure students complete their profiles to access the portal.
3. **Highlight the Benefits:** Share how the platform opens doors to top career opportunities.

Your continued involvement is essential to ensuring your students stay ahead. Let's work together to set them on the path to success.
