About the Program

1. Duration:

The program will last six months, starting in January 2025 and concluding in May 2025, aligning with the final semester.

2. Eligibility Criteria:

- Open to final-year MCA students.
- Minimum 50% marks in the last semester.
- Good communication skills and a passion for technology are desirable.

3. Program Schedule:

• Pre-Placement Talk:

Softpro India will conduct an introductory session (online/offline) to familiarize students with the company's vision, culture, and internship scope.

4. Assessment:

- An online/offline MCQ test will evaluate students' knowledge and skills.
- Selected candidates will attend an offline interview at their college or a nearby Softpro India center.
- Students meeting the cutoff marks will be offered a free internship with placement assistance.

Internship Structure

1. Training Sessions: Topics include programming languages (Java, Python, PHP, C#), web development frameworks (Django, Spring, Laravel, Angular JS, React), database management, and emerging technologies (AI, ML, IoT).
2. Project Work: Interns will work on real-world projects under professional mentorship, applying theoretical knowledge to practical scenarios.
3. Evaluation and Certification: Participants will undergo a final assessment, and successful candidates will receive certificates of completion.
4. Placement Opportunity: Softpro India will organize five placement drives for interns who successfully complete the program.
