

Dear Madam/Sir,

Greetings from All India Council for Technical Education (AICTE) ..!

We are pleased to inform you that PrasarBharati (Doordarshan), in collaboration with IIT Delhi, will be organizing the prestigious DD-Robocon 2025 competition, the domestic part of international ABU Robocon 2025. This annual event brings together engineering talent from across the country, providing a unique platform for students to showcase their ingenuity, technical skills, and creativity in the field of robotics.

The winning team of the domestic competition gets to participate in the **international ABU Robocon 2025 scheduled to be held in the month of August, 2025 in Mongolia.**

DD-Robocon has been instrumental in inspiring innovation and fostering a spirit of healthy competition among engineering students. The competition not only enhances participants' practical knowledge but also equips them with problem-solving abilities and teamwork experience that are invaluable for their professional growth.

In view of this, AICTE requests your esteemed institution to actively encourage and facilitate the participation of your students in DD-Robocon 2025. This event is an excellent opportunity for them to engage in a challenging and rewarding experience, interact with peers from other institutions, and gain national recognition for their work.

Further details regarding registration, rules, and timelines can be found on the official DD-Robocon 2025

website: [ [https://home.iitd.ac.in/show.php?id=243&in\\_sections=Press](https://home.iitd.ac.in/show.php?id=243&in_sections=Press)].

We look forward to enthusiastic participation from your college and trust that you will support this initiative to bolster innovation and technical excellence in the engineering community.

***With regards***
