

Dear Madam/Sir,

Greetings from All India Council for Technical Education (AICTE) ..!

We are pleased to inform you of the fourth edition of the international school and conference on the evolution of electronic structure theory and experimental realization (EESTER-2025). It is organized by four premier academic and research institutes, namely IIT Madras, SRMIST, Anna University, and CSIR-CLRI lab, from Chennai, India. The event will be held from 3rd to 11th January, 2025. A flyer is attached for your perusal. Further details on EESTER-2025 can be obtained from the link [<https://cammd.iitm.ac.in/eester-2025/>].

In view of the foregoing, AICTE requests your institution to encourage the students and researchers to participate in this conference. We believe that attending this event will provide a valuable learning experience and an opportunity to connect with other industry experts.

We hope that this invitation will meet your interest and look forward to your positive response. Thank you for your attention.
